RE: Request to supersede SAR test report for FCC ID: VR2IT806R

To Whom It May Concern:

Regarding FCC ID: VR2IT806R, we are requesting to supersede the original SAR test Report due to a clerical error. The applicant, Cal-Comp, has a specific FCC ID code for each of their branches. When the submission was completed the wrong Company name was in the SAR test report that was uploaded on 02/25/2009. We would like to upload the corrected SAR test report per the clients request so that we may correct this clerical error.

Thank you very much.
